Pond Committee

Did You Know?

The Pond Committee reminds all homeowners that whatever is in the streets goes down the storm drains and directly into our lagoons before being released to the Okatie River. Please remove leaves, pine straw, and yard debris from the road and gutters before it enters our lagoons and waterways. This will help keep our lagoons healthy and possibly reduce the need for any preventable future remediation.

Security & Safety Committee

There are some residents whose RFID tags are consistently not being read by the reader and require the guard to open the gate via remote control. If the blue light on the RFID reader does not turn green by the time your car reaches the reader, it means your tag has not been read. This can be caused by a number of issues including tag damage (weather, car washes, etc.) and tag placement. The reader has been tested and is working well. If you have any issues with your RFID tag not being read, please contact IMC (843-785-4775 Ext. 201) to obtain a new tag and be sure to follow the directions carefully regarding tag placement on your windshield.

Remember our speed limit is **20 MPH**. Be watchful for kids at the bus stops and riding bikes/walking to school.

The Social Committee has been meeting to provide both adult and kids with some great events throughout 2024. We would like to begin collecting items for raffles. We all have that re-gift box or closet in our homes. We will gladly take what you can offer. All donations can be dropped off at the home of **Linda Srygley at 132 Bainbridge Way** whenever you have them.

To The Baynard Park Community

We would like to thank everyone who graciously donated to the Security Guards Christmas Gift. We collected \$1,275.00 which

BOOKS NEEDED

I am happy to say that our little "Lending Library " at the pool is a success! I have been doing my best to keep it organized and stocked every few weeks, but we could use more books for the children. You may place any CHILDREN'S books directly in the bookcase on the bottom shelf. Thank you for your help!

Please call me with any questions.
Thank you,

IT'S ABOUT YOU!!

We would love to share and celebrate **YOUR** important events across the community. There are always a lot of good things going on related to birthdays, anniversaries, youth sports awards or even graduation events. We plan on starting a "community chatter" section featuring **YOUR** stories so please reach out to the Board at board@baynardpark.org if you have something for a future newsletter.

We are having great success with our new found committees, but need more volunteers. Have you been looking for a way to be more involved in the community? The Communications Committee is looking for interested residents to come onboard. Please reach out to the Board at board@baynardpark.org if this sounds like something you would like to hear more about.
