Security & Safety Committee

Please obey our 20 MPH speed limit at all times and be watchful for kids at the bus stops and riding bikes/walking to school. As Winter approaches and the days get shorter the children will be leaving for school in the dark. BPD is now patrolling our streets and will be issuing citations for Speed and Stop Sign violations.

Also remember to lock your car doors when parked outdoors. There have been a number of car break-ins in neighboring communities lately and we are not immune to this problem.

Some of the original RFID tags mounted on headlights are starting to fail due to age and damage from the sun. As you approach the RFID Lane Entry Gate, if the light on the RFID Reader does not briefly change from Blue to Green - this means the reader did not read your RFID Tag. It should read your tag every time you enter. If you have any intermittent issues with your RFID tag not being read, please contact IMC (843-785-4775 Ext. 201) to obtain a new tag. The reader has been inspected and is working fine.

- Throat clearing
- Excessive scratching
- Whining
- Gagging
- Coughing
- Drooling
- Diarrhea
- Appetite loss
- Incoordination
- Vomiting
- Dilated eyes

- Shaking
- Blindness
- Paralysis
- Respiratory failure
- Seizures
- Coma
- Death

Please be careful this season and protect your fur babies. 🐱🐶

Call for Help and Assistance

Gail Edelson has graciously stepped up and is taking on the BP decorations. She needs help. Please consider joining her. She has already done an amazing job refurbishing what we have and purchasing new. Please step up and let Quen at IMC know if you can lend a hand.

BOOKS NEEDED

I am happy to say that our little "Lending Library" at the pool is a success! I have been doing my best to keep it organized and stocked every few weeks, but we could use more books for the children. You may place any CHILDREN'S books directly in the bookcase on the bottom shelf. Thank you for your help!

Please call me with any questions.
Thank you,
Pat Mulcahy (330)506-4222
