POND COMMITTEE

The Pond Committee's purpose is to evaluate the ponds by working with local experts, get and review quotes for pond services and remediation of problems and report to the board its findings and recommendations. This is to ensure our ponds stay healthy and that Baynard Park is meeting local and state regulations regarding our ponds.

Pond Advocates at each pond are listed below. These volunteers from each pond keep a watchful eye on each of the ponds they live on and report back to the Pond Committee any problems or concerns that they notice. Other residents are encouraged to contact a pond advocate for their pond if they notice any concerns.

POND COMMITTEE UPDATE

We now have irrigation watering the newly installed sod on pond 7. We are collecting updated estimates for the elimination of the weeds at the northern end of pond 7 and the installation of a wall and dirt fill behind the wall with sod over the fill.

Security & Safety Committee

Some of the original RFID tags mounted on headlights are starting to fail due to damage from the sun. As you approach the RFID Lane Entry Gate, if the light on the RFID Reader does not briefly change from Blue to Green - this means the reader did not read your RFID Tag. The reader has been inspected and is working fine. If you are experiencing any issues with your RFID tag not being read, please contact IMC (843-785-4775 Ext. 201) to obtain a new tag.

School is back in session, please obey our 20 MPH speed limit at all times and be watchful for kids at the bus stops and riding bikes/walking to school. BPD is now patrolling our streets and will not only be issuing citations for Speed and Stop Sign violations but also Golf Cart Registrations and Driver licensing. Golf Cart Owners please take time to review Section 10.3 in the BP Rules & Regulations regarding Golf Carts.

BAYNARD PARK LADIES LUNCHEON GROUP

Hi Baynard Park Ladies!

Thank you, Jackie Cody, for hosting a lovely luncheon on September 1. The luncheon was delicious and it was so nice to see many new neighbors in attendance. Don't forget there are only 3 more days until reservations are due to Sue Szurko or

Anna Dinatali for the Lulu's September 22 luncheon. We have already received many reservations, so the afternoon will once again be filled with good food, fun and laughter!! Don't forget to contact Sue or Anna sueszurko@aol.com or Anna adinatali43@yahoo.com

And for those of you anticipating our October Surprise ...it will be an AFTERNOON TEA!! Betty Anton will be our Host and the date has been set for October 19 at 4:00 pm. The venue will be the Gryphon. Here is some information to share about the afternoon in store.

Afternoon tea will be served at Gryphon, 337 Bull Street, Savannah, Ga *Gryphon is the premier dining destination of the Savannah College of Art and Design, carrying on the tradition of Savannah hospitality and delicious food.*

Afternoon Tea will include three tiers of food: Tier 1 with two different kind of tea sandwiches; Tier 2 with a scone with fresh fruit, Devonshire cream and strawberry jam, and Tier 3 with an assortment of petit-fours and tea sweets - all made in house. Pots of three different teas will accompany the food.

Please make your reservation and payment ahead of time. Our reservation is limited to 15 people and a count needs to be given to the Gryphon on October 12th, so please make your reservation early.

Cost **inclusive** of food, tea, gratuity and sales tax: \$29.21 total

I would suggest that we carpool as much as possible as parking is on the street or in a nearby parking garage. If you want to carpool, meet at the Baynard Park pool parking lot at 2:30 pm. Otherwise, we will see you at the Gryphon.

There is a lovely SCAD gift shop and gallery across the street from the Gryphon. If we leave at 2:30 we should have time for a quick visit there before heading to tea. Since they close at 5:00 pm, the visit needs to be made before our tea time.

Payment please in cash or check only *payable to Betty Anton*. She will be paying the entire bill on that day, but we will be responsible for the number of reservations made.

You can drop off your reservation form at Betty's house at 146 Bainbridge Way. (She will be away from 9/15-9/22 however). Carol Bisschop will take

reservations during her absence. She lives at 11 Bainbridge Way. You can contact Betty at 484-515-6789 or at baanton@windstream.net. Again, as always, THANK YOU ladies for your continued support of our luncheons!!

Feel free to contact me with any questions.

CAREFUL

BABY COPPERHEAD SNAKES

September is the time of the year when copperheads are born, and that they're born with venom and ready to defend themselves.

A mother snake generally gives birth to about eight to ten of the critters, so if you find one, officials warn that there are others around. Baby Copperheads look like worms so make sure you look **BEFORE** you pick up!!! Best way to know if it's a baby Copperhead is to look at the tail. They have a bright yellow tail. Make your kids aware!

**We would like to give a
warm welcome
to the new neighbors

HELP NEEDED

Gail Edelson will be the head of the decorations committee. If you would like to join Gail in the seasonal decorations, please reach out to Quen@IMCHHI.com. We will connect you.

BOOKS NEEDED

I am happy to say that our little "Lending Library " at the pool is a success!
I have been doing my best to keep it organized and stocked every few weeks, but we could use more books for the children.
You may place any CHILDREN'S books directly in the bookcase on the bottom shelf.
Thank you for your help!

Please call me with any questions.
Thank you,
